Supported in the USA.

solistractorusa.com

WHY DEALERS CHOOSE THIS OPPORTUNITY

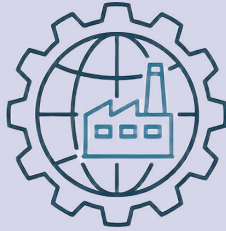

Partnering with Solis Tractors USA opens the door to world-class opportunity. Beyond just quality equipment, Solis offers a dedicated ecosystem designed for dealer success, backed by global expertise and a customer focused approach.

**SOLIS means
“Rising Sun”
a bold new dawn
for dealers ready
to grow.**

ITL

Solis Tractors are manufactured in India by International Tractors Limited (ITL). ITL is a major player in the global tractor market, with a strong presence in over 150 countries and a customer base exceeding 1.7 million. ITL's main manufacturing plant in Hoshiarpur is the world's largest integrated tractor plant, with a capacity of producing 300,000 tractors annually.
